The Berkeley City College Art Marketing Group presents a showcase of large format digital prints at Eddie Rhodes Gallery, Contra Costa Community College. The show, featuring digitally created artwork by artists affiliated with the Berkeley City College Multimedia Department, will run from November 1 to 29, 22006. A reception will be held on Saturday, November 4, 2006 from 3 PM to 6 PM.

The Print Department at Berkeley City College provides cutting edge printing technology. Artists begin with images taken from electronic and/or organic sources. They then transform the images with editing software and complete their work by outputting to a variety of media including paper, canvas and fabric.

The Eddie Rhodes Gallery is located in Contra Costa College at 2600 Mission Bell Drive, San Pablo, CA 94806.
